If you have any newspaper clipping of your students you would like to have posted on the bulletin board, please get those to Carol Gott.

Little Red Hen update:

I am enjoying the Little Red Hen & all your great comments,
Let me know that you are enjoying it, too!

Several teachers have commented that it would be easier to pay by check instead of the hassle of dealing with change. This is fine with me. Just make your checks out to Beth Ann Strain. Some teachers prefer to write a check weekly and some prefer monthly. It does not matter to me. If there is a point where I don't have enough \$ to restock, then I will just send out an SOS.

Also, Gourmet Hot Chocolate is no longer available at SAM'S, but I think I may be able to find some of the chocolate type flavors elsewhere. I will keep my eye out!

Thanks for your help,
Beth Ann
